QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials (the “Notice”) because the Board of Directors of Eliem Therapeutics, Inc. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about April 8, 2022 to all stockholders of record entitled to vote at the Annual Meeting.

Will I receive any other proxy materials by mail?

We may send you a proxy card and/or a second Notice on or after April 18, 2022.

How do I attend the Annual Meeting?

The Annual Meeting will be held through a live webcast at www.proxydocs.com/ELYM. You will not be able to attend the Annual Meeting in person. If you attend the Annual Meeting online, you will be able to vote and submit questions, at www.proxydocs.com/ELYM. You are entitled to attend the Annual Meeting if you were a stockholder as of the close of business on March 25, 2022, the record date, or hold a valid proxy for the meeting. To be admitted to the Annual Meeting, you will need to visit www.proxydocs.com/ELYM and enter the Control Number found next to the label “Control Number” on your Notice of Internet Availability. If you are a beneficial stockholder, you should contact the bank, broker or other institution where you hold your account well in advance of the meeting if you have questions about obtaining your Control Number/ proxy to vote.

Whether or not you participate in the Annual Meeting, it is important that you vote your shares.

We encourage you to access the Annual Meeting before it begins. Online check-in will start approximately 15 minutes before the meeting, which will be held on Thursday, May 19, 2022 at 10:00 A.M. Pacific Time.

Will a list of record stockholders as of the record date be available?

A list of our record stockholders as of the close of business on the record date will be made available to stockholders during the meeting at www.proxydocs.com/ELYM. In addition, for the ten days prior to the Annual Meeting, the list will be available for examination by any stockholder of record for a legally valid purpose at our corporate headquarters located at 15 Lake Bellevue Drive, Suite 101, Bellevue, WA 98005 during regular business hours. To access the list of record stockholders beginning May 9, 2022 and until the meeting, stockholders should email equity@eliemtx.com.

For the Annual Meeting, how do we ask questions of management and the Board of Directors?

We plan to have a Q&A session at the Annual Meeting and will include as many stockholder questions as the allotted time permits.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 25, 2022 will be entitled to vote at the Annual Meeting. On the record date, there were 26,567,681 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 25, 2022 your shares were registered directly in your name with the Company’s transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may

vote by proxy over the telephone, vote online at the meeting or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy through the internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 25, 2022 your shares were held, not in your name, but rather in an account at a brokerage firm, bank or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank, or other nominee regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. You may access the meeting and vote by logging in with your Control Number set forth in voting instructions provided your broker, bank, or other nominee. You should contact your broker, bank, or other nominee if you have not received voting instructions.

What am I voting on?

There are two matters scheduled for a vote:

- Election of three directors; and
- Ratification of selection by the Audit Committee of the Board of Directors of PricewaterhouseCoopers LLP as independent registered public accounting firm of the Company for its fiscal year ending December 31, 2022.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote “For” all the nominees to the Board of Directors or you may “Withhold” your vote for any nominee you specify. For the ratification of selection of auditors, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote at the Annual Meeting vote by proxy over the telephone, vote by proxy through the internet, vote online at the meeting, or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote at the meeting even if you have already voted by proxy.

- To vote **during** the Annual Meeting, if you are a stockholder of record as of the record date, follow the instructions at www.proxypush.com/ELYM. You will need to enter the Control Number found on your Notice of Internet Availability, or notice you receive or in the email sending you the Proxy Statement.
- To vote **prior** to the Annual Meeting you may vote via the Internet; by telephone; or by completing and returning their proxy card or voting instruction form, as described below.
 - To vote through the internet prior to the meeting, go to www.proxypush.com/ELYM and follow the instructions to submit your vote on an electronic proxy card. You will be asked to provide the company number and Control Number from the Notice.

[Table of Contents](#)

- To vote over the telephone, dial toll-free 1-866-506-2806 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and Control Number from the Notice.
- To vote using the proxy card, simply complete, sign and date the proxy card, that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a Notice containing voting instructions from that organization rather than from us. To vote *prior to the meeting*, simply follow the voting instructions in the Notice to ensure that your vote is counted. To access and vote at the Annual Meeting, log in with your Control Number set forth in voting instructions provided your broker, bank, or other nominee. You should contact your broker, bank, or other nominee if you have not received voting instructions.

Internet proxy voting will be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 25, 2022.

If I am a stockholder of record and I do not vote, or if I return a proxy card or otherwise vote without giving specific voting instructions, what happens?

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or online at the Annual Meeting, your shares will not be voted.

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “For” the election of the nominees for director and “For” the ratification of selection by the Audit Committee of the Board of Directors of PricewaterhouseCoopers LLP as independent registered public accounting firm of the Company for its fiscal year ending December 31, 2022. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?

If you are a beneficial owner of shares held in street name and you do not instruct your broker, bank or other agent how to vote your shares, your broker, bank or other agent may still be able to vote your shares in its discretion. Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of various national and regional securities exchanges, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Accordingly, your broker or nominee may not vote your shares on the election of any nominee for directors without your instructions, but may vote your shares on the ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm of the Company for its fiscal year ending December 31, 2022 without your instructions.

If you are a beneficial owner of shares held in street name, and you do not plan to attend the meeting, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.
- You may send a timely written notice that you are revoking your proxy to our Secretary at our corporate mailing address located at 23515 Novelty Hill Road, Suite B221 #125, Redmond, WA 98053.
- You may attend the Annual Meeting and vote online. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

When are stockholder proposals and director nominations due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 9, 2022, to the Company's Secretary at 23515 Novelty Hill Road, Suite B221 #125, Redmond, WA 98053, and must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), provided, however, that if our 2023 Annual Meeting of Stockholders is held before April 19, 2023 or after June 18, 2023, then the deadline is a reasonable amount of time prior to the date we begin to print and mail our proxy statement for the 2023 Annual Meeting of Stockholders. If you wish to submit a proposal (including a director nomination) at the 2023 Annual Meeting of Stockholders that is not to be included in next year's proxy materials, the proposal must be received by our Corporate Secretary not later than the close of business on February 18, 2023 nor earlier than the close of business on January 19, 2023; provided, however, that if our 2023 Annual Meeting of Stockholders is held before April 19, 2023 or after June 18, 2023, then the proposal must be received no earlier than the close of business on the 120th day prior to such annual meeting and no later than the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

In addition to satisfying the foregoing requirements under our bylaws, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than March 20, 2023.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes “For,” “Withhold” and broker non-votes; and, with respect to the proposal to ratify the selection of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm, votes “For,” “Against” and abstentions.

What are “broker non-votes”?

As discussed above, when a beneficial owner of shares held in street name does not give voting instructions to his or her broker, bank or other securities intermediary holding his or her shares as to how to vote on matters deemed to be “non-routine” under NYSE rules, the broker, bank or other such agent cannot vote the shares. These unvoted shares are counted as “broker non-votes.”

*As a reminder, if you are a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you **must** provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.*

How many votes are needed to approve each proposal?

For the election of directors, the three nominees to serve until the 2025 Annual Meeting of Stockholders receiving the most “For” votes from the holders of shares present virtually or represented by proxy and entitled to vote on the election of directors will be elected. Only votes “For” or “Withheld” will affect the outcome.

To be approved, Proposal No. 2, ratification of the selection of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2022, must receive “For” votes from the holders of a majority of shares present virtually or represented by proxy and entitled to vote on the matter. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect, however, Proposal No. 2 is considered a routine matter, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting virtually or represented by proxy. On the record date, there were 26,567,681 shares outstanding and entitled to vote. Thus, the holders of 13,283,841 shares must be present virtually or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote online at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

PROPOSAL 1

ELECTION OF DIRECTORS

Eliem's Board of Directors ("Board of Directors") is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board of Directors may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board of Directors to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board of Directors presently has seven members. There are three directors in the class whose term of office expires in 2022. If elected at the Annual Meeting, each of these nominees would serve until the 2025 annual meeting and until his or her successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. It is the Company's policy to invite directors and nominees for director to attend the Annual Meeting. Because we completed our initial public offering in August 2021, we did not hold an annual meeting of stockholders in 2021.

Directors are elected by a plurality of the votes of the holders of shares present in virtually or represented by proxy and entitled to vote on the election of directors. Accordingly, the three nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by the Company. Each person nominated for election has agreed to serve if elected. The Company's management has no reason to believe that any nominee will be unable to serve.

Each of the nominees was recommended for election by the Nominating and Corporate Governance Committee of the Board of Directors and each of the nominees is currently a director of the Company. Each of the nominees was appointed to the Board of Directors prior to our initial public offering by the then current members of the Board of Directors to fill a vacant seat. The Nominating and Corporate Governance Committee seeks to assemble a board that, as a whole, possesses the appropriate balance of professional and industry knowledge, financial expertise and high-level management experience necessary to oversee and direct the Company's business. To that end, the Nominating and Corporate Governance Committee has identified and evaluated nominees in the broader context of the Board of Directors' overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment and other qualities that the Nominating and Corporate Governance Committee views as critical to effective functioning of the Board of Directors. To provide a mix of experience and perspective on the Board of Directors, the Nominating and Corporate Governance Committee also takes into account geographic, gender, age, racial and ethnic diversity. The brief biographies below include information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills of each director or nominee that led the Nominating and Corporate Governance Committee to believe that that nominee should continue to serve on the Board of Directors. However, each of the members of the Nominating and Corporate Governance Committee may have a variety of reasons why he or she believes a particular person would be an appropriate nominee for the Board of Directors, and these views may differ from the views of other members.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under the Nasdaq Stock Market (“Nasdaq”) listing standards, a majority of the members of a listed company’s Board of Directors must qualify as “independent,” as affirmatively determined by the Board of Directors. The Board of Directors consults with the Company’s counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board of Directors has affirmatively determined that all of our directors except Mr. Azelby, who is our Chief Executive Officer, do not have any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the applicable rules and regulations of the Securities and Exchange Commission (“SEC”) and the listing requirements and rules of Nasdaq.

BOARD OF DIRECTORS LEADERSHIP STRUCTURE

Our Board of Directors does not have a policy as to whether the positions of chair (the “Board Chair”) and Chief Executive Officer should be separate, and believes that it should select the Board Chair and the Chief Executive Officer in the manner it considers to be in the best interests of the Company and our stockholders. Our Board of Directors believes that it should have the flexibility to make this determination as circumstances require and in a manner that it believes is best to provide appropriate leadership for the Company. The Board of Directors believes that its current leadership structure, with Dr. Levin serving as independent Board Chair, is appropriate because it enables the Board of Directors, as a whole, to engage in oversight of management, promote communication and collaboration between management and the Board of Directors, and oversee governance matters, while allowing our Chief Executive Officer to focus on his primary responsibility, the operational leadership and strategic direction of the Company. Our Corporate Governance Guidelines, which is available on our website at eliemtx.com, provide that if the individual appointed as Board Chair is not independent or whenever the independent directors on the Board of Directors determine that it is in the best interests of the Company and our stockholders, the independent directors, by vote of a majority of such independent directors, shall annually select an independent director to serve as lead independent director. Our Corporate Governance Guidelines further provide that the lead independent director would: (i) in consultation with the Chair, establish the agenda for regular meetings of the Board of Directors, (ii) preside at all meetings of the Board of Directors at which the Chair is not present, including executive sessions of the independent directors; (iii) establish the agenda for meetings of the independent directors; (iv) coordinate with the committee chairs regarding meeting agendas and information requirements; (v) preside over any portions of meetings of the Board of Directors at which the performance of the Board of Directors is presented or discussed; (vi) act as liaison between the independent directors, the Chief Executive Officer and the Chair; and (vii) perform such other functions as the Board of Directors may delegate. The Board of Directors believes that this flexible approach provides it with the ability to establish a leadership structure, based upon its judgment, that is in the best interests of the Company and those of our stockholders at any given time.

ROLE OF THE BOARD OF DIRECTORS IN RISK OVERSIGHT

One of the Board of Directors’ key functions is informed oversight of the Company’s risk management process. The Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through various Board of Directors standing committees that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial

risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors met 10 times during 2021. Each member of the Board of Directors attended 75% or more of the aggregate number of meetings of the Board of Directors and of the committees on which she or he served, held during the portion of the last fiscal year for which she or he was a director or committee member. The Board of Directors and its committees also act by written consent from time to time.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board of Directors in accordance with Section 3(a)(58)(A) of the Exchange Act, to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements. Our Audit Committee consists of Leone Patterson, Adam Rosenberg and Simon Tate. Our Audit Committee met twice during 2021.

Our Board of Directors has determined that each of Ms. Patterson, Mr. Rosenberg, and Mr. Tate satisfy the independence requirements under the Nasdaq listing standards and Rule 10A-3(b)(1) of the Exchange Act. In 2021, we initially relied on the "phase-in" requirements of Rule 10A-3 with respect to independence of Audit Committee members following our Initial Public Offering. The chairperson of our Audit Committee is Leone Patterson. Our Board of Directors has determined that Ms. Patterson is an "audit committee financial expert" within the meaning of SEC regulations. Each member of our Audit Committee can read and understand fundamental financial statements in accordance with applicable requirements. In arriving at these determinations, our Board of Directors has examined each Audit Committee member's scope of experience and the nature of their employment.

The primary purpose of the Audit Committee is to discharge the responsibilities of our Board of Directors with respect to our corporate accounting and financial reporting processes, systems of internal control and financial statement audits, and to oversee our independent registered public accounting firm. For this purpose, the Audit Committee performs several functions. Specific functions of the Audit Committee include:

- helping our Board of Directors oversee our corporate accounting and financial reporting processes;

Table of Contents

- reviewing and discussing with our management the adequacy and effectiveness of our disclosure controls and procedures;
- assisting with design and implementation of our risk assessment functions, including the Company's policies and other matters relating to the Company's investments, cash management and foreign exchange management, major financial risk exposures, the adequacy and effectiveness of the Company's information security policies and practices and the internal controls regarding information security, and the steps taken by management to monitor and mitigate or otherwise control these exposures and to identify future risks;
- managing the selection, engagement, qualifications, independence and performance of a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and the independent accountants, our interim and year-end operating results;
- developing procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- reviewing related person transactions;
- obtaining and reviewing a report by the independent registered public accounting firm at least annually that describes our internal quality control procedures, any material issues with such procedures and any steps taken to deal with such issues when required by applicable law; and
- approving or, as permitted, pre-approving, audit and permissible non-audit services to be performed by the independent registered public accounting firm.

Our Audit Committee operates under a written charter, adopted by our Board of Directors on June 29, 2021, that satisfies the applicable Nasdaq listing standards and which is available on our website at eliemtx.com.

Compensation Committee

Our Compensation Committee currently consists of Liam Ratcliffe, Judith Dunn and Adam Rosenberg. The chairperson of our Compensation Committee is Liam Ratcliffe. Our Compensation Committee met three times during 2021.

Our Board of Directors has determined that each member of the Compensation Committee is independent under the Nasdaq listing standards, and a "non-employee director" as defined in Rule 16b-3 promulgated under the Exchange Act.

The primary purpose of our Compensation Committee is to discharge the responsibilities of our Board of Directors in overseeing our compensation policies, plans and programs and to review and determine the compensation to be paid to our executive officers, directors and other senior management, as appropriate. Specific responsibilities of our Compensation Committee include:

- reviewing and recommending to our Board of Directors the compensation of our chief executive officer and other executive officers;
- reviewing and recommending to our Board of Directors the compensation of our directors;
- administering our equity incentive plans and other benefit programs;
- reviewing, adopting, amending and terminating incentive compensation and equity plans, severance agreements, profit sharing plans, bonus plans, change-of-control protections and any other compensatory arrangements for our executive officers and other senior management; and

[Table of Contents](#)

- reviewing and establishing general policies relating to compensation and benefits of our employees, including our overall compensation philosophy.

Our Compensation Committee operates under a written charter, adopted by our Board of Directors in June 2021, that satisfies the applicable Nasdaq listing standards and which is available on our website at elientx.com.

In addition, once the Company ceases to be an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012, the Compensation Committee will review with management the Company’s Compensation Discussion and Analysis and consider whether to recommend that it be included in Proxy Statements and other filings.

Compensation Committee Processes and Procedures

During the second quarter of 2021, our Compensation Committee engaged Radford as compensation consultant to evaluate long and short-term executive compensation, director compensation and executive severance arrangements and to make recommendations regarding the design of the Company’s equity incentive and employee stock purchase plans. Radford reviewed our executive officer and director compensation relative to benchmark and survey data available to Radford. Radford ultimately developed recommendations that were presented to the Compensation Committee for its consideration. Based on these recommendations, our Board of Directors adopted a non-employee director compensation policy in July 2021. Our non-employee director compensation policy is described under “Director Compensation” below. In addition, following our initial public offering, our Compensation Committee requested that Radford recommend a peer group for assessing executive and director compensation. Our Compensation Committee approved the peer group in October 2021 and subsequently requested that Radford review executive compensation relative to the peer group. The Compensation Committee considered the information provided by Radford in approving base salary increases for certain of our executive officers, setting bonus target compensation and approving equity annual equity awards in January 2022.

Historically, the Compensation Committee has made most of the significant adjustments to annual compensation, determined bonus and equity awards and established new performance objectives at one or more meetings held during the first quarter of the year. Generally, the Compensation Committee’s process comprises two related elements: the determination of compensation levels and the establishment of performance objectives for the current year. For executives other than the Chief Executive Officer, the Compensation Committee solicits and considers evaluations and recommendations submitted to the committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. For all executives, as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, company stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels and recommendations of the Compensation Committee’s compensation consultant, including analyses of executive compensation paid at other companies identified by the consultant.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Andrew Levin, Leone Patterson and Simon Tate. The Nominating and Corporate Governance Committee did not meet in 2021. The chairperson of our Nominating and Corporate Governance Committee is Andrew Levin. Our Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is independent under the Nasdaq listing standards. Specific responsibilities of our Nominating and Corporate Governance Committee include:

- identifying and evaluating candidates, including the nomination of incumbent directors for reelection and nominees recommended by stockholders, to serve on our Board of Directors;
- considering and making recommendations to our Board of Directors regarding the composition and chairmanship of the committees of our Board of Directors;
- reviewing with our chief executive officer the plans for succession to the offices of our executive officers and make recommendations to our Board of Directors with respect to the selection of appropriate individuals to succeed to these positions;

Table of Contents

- developing and making recommendations to our Board of Directors regarding corporate governance guidelines and matters;
- reviewing and evaluating with the chief executive officer the succession plans for our executive officers;
- reviewing and making recommendations to our Board of Directors regarding the Company's process for stockholder communications with the Board of Directors, and make such recommendations to the Board of Directors with respect to such communications as the Committee deems appropriate;
- monitoring the Company's overall approach to corporate social responsibility and ensuring it is in line with the overall business strategy and the Company's corporate and social obligations as a responsible citizen; and periodically receiving and reviewing reports on the Company's sustainability and environmental, social and related governance strategies, initiatives, policies and practices and making such recommendations to our Board of Directors about them as the Committee deems appropriate; and
- overseeing periodic evaluations of the Board of Directors' performance, including committees of the Board of Directors.

Our Nominating and Corporate Governance Committee operates under a written charter, adopted by our Board of Directors in June 2021, that satisfies the applicable Nasdaq listing standards and which is available on our website at eliemtx.com.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board of Directors may do so by delivering a written recommendation to the Secretary of the Company at 23515 NE Novelty Hill Road, Suite B221 #125 Redmond, WA 98053 not later than the close of business on the 90th day, nor earlier than the close of business on the 120th day, prior to the first anniversary of the immediately preceding year's annual meeting. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of the Company's stock and has been a holder for at least one year. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Historically, the Company has not provided a formal process related to stockholder communications with the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. The Company believes its responsiveness to stockholder communications to the Board of Directors has been excellent. Nevertheless, during the upcoming year, the Nominating and Corporate Governance Committee will give full consideration to the adoption of a formal process for stockholder communications with the Board of Directors and, if adopted, publish it promptly and post it to the Company's website.

CODE OF ETHICS

The Company has adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available on the Company's website at www.eliemtx.com. If the Company makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

CORPORATE GOVERNANCE GUIDELINES

In July 2021, the Board of Directors documented the governance practices followed by the Company by adopting Corporate Governance Guidelines to assure that the Board of Directors will have the necessary authority and practices

in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's stockholders. The Corporate Governance Guidelines set forth the practices the Board of Directors intends to follow with respect to board composition and selection, board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and board committees and compensation. The Corporate Governance Guidelines, as well as the charters for each committee of the Board of Directors, may be viewed at www.eliemtx.com.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022, and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. PricewaterhouseCoopers LLP has audited the Company's financial statements since 2020. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. However, the Audit Committee of the Board of Directors is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board of Directors in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present virtually or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers LLP.

The Audit Committee generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Emerging Growth Company Status

We are an emerging growth company, as defined in the Jumpstart Our Business Startups Act of 2012 (JOBS Act). As an emerging growth company, we will be exempt from certain requirements related to executive compensation, including, but not limited to, the requirements to hold a nonbinding advisory vote on executive compensation and to provide information relating to the ratio of total compensation of our Chief Executive Officer to the median of the annual total compensation of all of our employees, each as required by the Investor Protection and Securities Reform Act of 2010, which is part of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Nonqualified Deferred Compensations

Our named executive officers did not participate in, or earn any benefits under, any nonqualified deferred compensation plan sponsored by us during the year ended December 31, 2021. Our Board of Directors may elect to provide our officers and other employees with nonqualified deferred compensation benefits in the future if it determines that doing so is in our best interests.

Pension and Defined Benefit Plan Retirement Benefits

Our named executive officers did not participate in, or otherwise receive any benefits under, any defined benefit retirement plan sponsored by us during 2021.

Health and Welfare Benefits

All of our current named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, life, disability and accidental death and dismemberment insurance plans, in each case on the same basis as all of our other employees. We generally do not provide perquisites or personal benefits to our named executive officers. We had no health and welfare benefit plans in place for our U.S.-based employees in 2020.

401(k) Plan

We currently maintain a 401(k) retirement savings plan for our U.S.-based employees, including our U.S.-based named executive officers, who satisfy certain eligibility requirements. The 401(k) plan is intended to qualify as a tax-qualified plan under the Internal Revenue Code. Our U.S.-based named executive officers are eligible to participate in the 401(k) plan on the same basis as our other employees. The Internal Revenue Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan.

Pension Plan

We currently maintain a pension plan for our U.K.-based employees. We have historically contributed 8% of each employee's annual basic salary as an employer contribution, and in April 2021, we increased this amount to 9%. Employees may choose to also make additional contributions, which, if elected, are deducted from their salaries. We also give back the 13.8% employer National Insurance savings into each employee's pension plan as an additional contribution. The pension plan is subject to an annual management charge of 0.36% and, in addition to our contributions and any employee contributions, accepts transfers from other schemes.

In any one-year period measured as commencing on the date of each annual meeting of stockholders that is held following the closing of our initial public offering and ending on the day immediately prior to the date of the subsequent annual meeting of stockholders, the aggregate value of all compensation granted or paid to each non-employee director may not exceed (i) \$750,000 in total value or (ii) in the event such non-employee director is first appointed or elected during such annual period, \$1,000,000 in total value, in each case calculating the value of any equity awards based on the grant date fair market value for financial reporting purposes.

POLICY ON FUTURE RELATED PARTY TRANSACTIONS

In 2021, the Company adopted a written Related-Person Transactions Policy that sets forth the Company's policies and procedures regarding the identification, review, consideration and approval or ratification of "related-persons transactions." For purposes of the Company's policy only, a "related-person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company and any "related person" are participants involving an amount that exceeds \$120,000. Transactions involving compensation for services provided to the Company as an employee, director, consultant or similar capacity by a related person are not covered by this policy. A related person is any executive officer, director, or more than 5% stockholder of the Company, including any of their immediate family members, and any entity owned or controlled by such persons.

Under the policy, where a transaction has been identified as a related-person transaction, management must present information regarding the proposed related-person transaction to the Audit Committee (or, where Audit Committee approval would be inappropriate, to another independent body of the Board of Directors) for consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to the Company of the transaction and whether any alternative transactions were available. To identify related-person transactions in advance, the Company relies on information supplied by its executive officers, directors and certain significant stockholders. In considering related-person transactions, the Committee takes into account the relevant available facts and circumstances including, but not limited to (a) the risks, costs and benefits to the Company, (b) the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated, (c) the terms of the transaction, (d) the availability of other sources for comparable services or products and (e) the terms available to or from, as the case may be, unrelated third parties or to or from employees generally. In the event a director has an interest in the proposed transaction, the director must recuse himself or herself from the deliberations and approval. The policy requires that, in determining whether to approve, ratify or reject a related-person transaction, the Committee consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, the best interests of the Company and its stockholders, as the Committee determines in the good faith exercise of its discretion.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Eliem stockholders will be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or us. Direct your written request to Eliem Therapeutics, Inc., 23515 NE Novelty Hill Rd., Suite B221 #125, Redmond, WA 98053 or contact James B. Bucher at (425) 276-2300. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
